* Scanning of this film will come in two files scanned with a locked exposure and will require joining in photoshop.

** Postage cost is only applied if you dont supply a return express or registered post pack.

All return postage in Australia or International is via Express or Registered post with tracking.

All film should be sent to this address:

Matt Lauder Gallery, Po Box 9460, Wyoming, NSW, 2250

How to send your film:

When sending your film please make sure it is well packed in between something ridged like card board. Also include a self addressed registered or express post pack (unless your an International customer).

The dpi's listed are True Optical resolutions for the scanner which means there is no interpolation of your image.

We use high quality TDK DVD's to burn your images too.

Customers are most welcome to supply their own hard drive or thumb drive for images to be copied too.

We will keep a copy of your scanned images for 14 days after scanning for your backup purposes only. After that time they will be deleted.

We are happy to offer discounted pricing to on going customers.

For further questions please see our FAQ section on our scanning page or email us directly.
